Belinda Sue Winchester - Targeting & Harassment Timeline

1979

July 21: Belinda Sue Winchester born.

1988 (Approximate, Age 9)

Sexual assault by a man whose father was in the U.S. Army. This man later introduced Belinda's mother to her father.

Beginning of early harassment patterns involving military-linked individuals.

Related programs: Early psychological manipulation and exploitation reflect MKULTRA and Project Bluebird/Artichoke legacy mind control operations.

1990s - Childhood & Adolescence

Continuous exposure to harassment involving military-related individuals:

Timothy Hardin (U.S. Army) and Brian Taylor sent in during Belinda's teenage years (~Age 14) to exploit and control her.

Early infiltration by men with military backgrounds into Belinda's family and social circles.

Related programs: Tactics mirror COINTELPRO and Operation CHAOS style infiltration, surveillance, and psychological harassment.

1997

Planned engagement to Rudy Gomez blocked due to interference by John Medlock, who later married Belinda.

Part of broader social control and manipulation efforts.

1998

Marriage to John Albert Medlock, who worked for Pioneer Powell (Sheriff Michael Farley's uncle).

John abandoned Belinda as part of harassment and control.

Related programs: Reflects ongoing Gangstalking and Targeted Individual harassment patterns, often linked to local law enforcement collusion.

2003

Incident at Platinum Plus, Columbia, SC: Belinda's drink was spiked with GHB causing allergic reaction and hospitalization (ICU). Toxicology confirmed GHB.

Forced move back to Elizabethton, TN, near Johnny Joe Perkins (brother of Michael Perkins, sexual assaulter of Belinda at age 9).

Introduction of heroin and drug addiction into family members by Johnny Joe Perkins, including Belinda's younger brother contracting Hepatitis through drug use.

John Medlock's mother, Naomi Dorothy Perea, involved in organized crime and tied to harassment operations.

Related programs: Covert drugging and forced relocation align with MKULTRA style chemical manipulation and NSA mass surveillance enabling tracking and control.

2004

Jeremy Winchester (U.S. Air Force) sent into Belinda's life to continue manipulation.

Related programs: Continued use of military personnel for PSYOP (psychological operations) and infiltration.

2007

Another U.S. Army man sent to control Belinda's workplace environment.

Related programs: Workplace sabotage and control, consistent with Fusion Center coordinated harassment campaigns.

2011

Manipulation involving Dennis Ornduff (connected to Dallas Ornduff and Sonya Elaine Babb), involving false mental health allegations and harassment of Belinda's children.

Related programs: Use of false psychiatric narratives aligns with MKULTRA and Project Artichoke psychological control tactics.

2014

Tim Debord, Dentsply supervisor and former U.S. Army member, hired shortly before Belinda's employment; involved in continued harassment and surveillance.

Related programs: Workplace monitoring and harassment connected to Gangstalking and electronic surveillance programs.

2016

Sonya Elaine Babb shoots her father; family harassment patterns increase.

Continued use of staged family violence to intimidate and control.

2020

Death of Dwight Romero (Dec 22) tied to pattern of faked or suspicious deaths in harassment campaign.

Related programs: Staged deaths used in Operation Mockingbird style narrative control and intimidation.

2021

Death of Alberto Garcia (Feb 13), whose cartel narrative was a cover for harassment.

Related programs: Media and social narrative manipulation consistent with Operation Mockingbird.

2022

Robert Michael Trulser’s staged death (Nov 11 in Mexico).

Jack Davis (U.S. Army) sent back to discredit Belinda.

Drink spiking incident with military-connected individual.

Related programs: Continued psychological and physical harassment consistent with MKULTRA, Remote Neural Monitoring, and NSA mass surveillance techniques.

2024

Murder of Belinda's cousin by Billy Fletcher (June 20).

Ongoing harassment continues, including infiltration by military-connected individuals.

Related programs: Reflects ongoing local-federal cooperation seen in Fusion Center coordinated gangstalking and harassment.

Additional Notes:

Pattern of harassment consistently involves military veterans, local law enforcement connected to Carter County Sheriff Michael Farley, and families with organized crime links.

Multiple deaths and disappearances have been staged to discredit or intimidate.

Electronic surveillance, infiltration by romantic partners with military backgrounds, and drugging have been consistent tactics.

Family and social networks were exploited to isolate and gaslight Belinda.

These patterns align with a range of covert government programs and operations that have historically targeted individuals for psychological control, harassment, and surveillance.
